## BULL ARM UPDATE

Hebron Project Issue 9 - Spring 2015

### Techsploration Participants Tour Bull Arm

Students from Tricentia Academy in Arnold's Cove participated in the Techsploration site tour of Bull Arm on March 24<sup>th</sup>. Techsploration is a not-for-profit organization that was established in 1998 to provide young women from grades nine through twelve with opportunities to explore science, trades and technology occupations. The program also helps these students understand the importance of high school math and science for their future careers. ExxonMobil Canada is a proud sponsor of Techsploration.

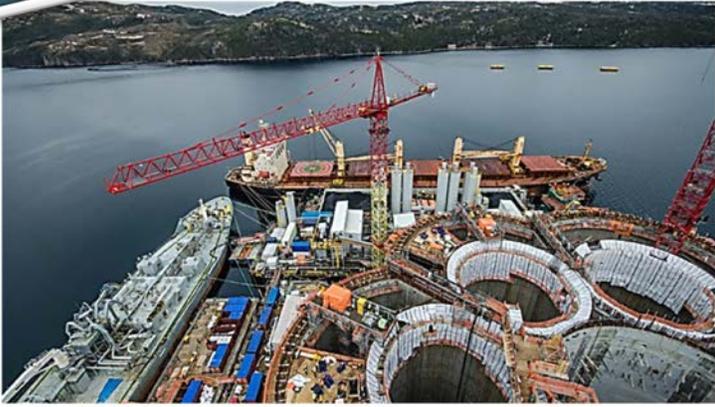

*Students from Tricentia Academy with Thomas Murphy, Topsides Safety Advisor at the Deep Water Site lookout.*

### Earth Day

Hebron Community Relations staff, Roxane Wareham and Camille Rose, had a fun morning celebrating Earth Day with K-6 students at Southwest Arm Academy in Little Heart's Ease. The students discussed ways to keep the planet clean and safe, and participated in an environment-themed activity.

The flare boom for Topsides is currently being fabricated in Port-aux-Basques, Newfoundland.

Iron ore bulk carrier (top) and fly ash bulk carrier (left) moored at the flotilla for installation of solid ballast in the Gravity Based Structure.

View of the pier and quay at Bull Arm Toppides Site, with living quarters module hall in background.

Heavy lift vessel (TakLift 6) at deep water site.

## Public Bus Tours

The Hebron Project will be conducting public bus tours of the Bull Arm site June through October of this year.

For more information, please see our project website at [www.hebronproject.com](http://www.hebronproject.com).

To book a reservation, please contact Camille at 709-463-1033 or email [bullarm.bustours@kkc-gbs.com](mailto:bullarm.bustours@kkc-gbs.com).

We look forward to seeing you!

## Contact Us

The Hebron Information Centre is located at the TCH entrance to the Bull Arm Site (Nalcor Building). Community Relations staff are generally available Monday-Friday during regular business hours.

Telephone: 709-463-1033  
Facsimile: 709-463-1034  
Email: [info@kkc-gbs.com](mailto:info@kkc-gbs.com)

## Project Workforce

In March, 94% of the employees at Bull Arm were residents of Newfoundland and Labrador. As well, 91% of the total workforce at all project related worksites in the province, were residents of Newfoundland and Labrador.
